B. Forward the aforementioned provisions of the Comprehensive Plan for

review in the 2010 process for review and potential amendment of the Comprehensive Plan,
NOW, THEREFORE,

THE CITY COUNCIL OF THE CITY OF EDMONDS, WASHINGTON, DO
ORDAIN AS FOLLOWS:

Section 1. The following interim zoning procedures are hereby established to be administered in conjunction with the procedural requirements of Title 20 of the Edmonds Community Development Code:

1.1 Public Projects No street, park or other public way, ground, place, space or public building or structure, or utility (whether publicly or privately owned) shall be abandoned, constructed or authorized until the Hearing Examiner has reviewed and reported to the City Council the location, extent and consistency with the Comprehensive Plan. The Hearing Examiner's report shall be advisory only.

1.1.1 A proposal to construct or authorize any of the public properties detailed in Section 1.1 which are listed on the Capital Facilities Plan, Parks Plan, Capital Improvements Plan or other Comprehensive Plan element may be heard either individually or as a group. The hearing before the Hearing Examiner for the construction or authorization of any project so listed in the Comprehensive Plan shall be listed on the Hearing Examiner's agenda, and notice published on the City's web site and on City bulletin boards.

1.2. Notice of the Hearing Examiner review of a public project, construction or authorization not shown on a Comprehensive Plan element shall be individually noticed in accord with ECDC 20.03.002. By way of illustration and not limitation, such procedures shall include posting, published notice and mailed notice to property owners within three hundred (300) feet of the project.

1.2. **Street Vacations and Dedication.** The Comprehensive Plan shall be consulted prior to the establishment, improvement, abandonment or vacation of any street. No dedication of any street or other area for public use shall be accepted by the City Council until its location, character, extent and effect thereof shall be considered by the Hearing Examiner with respect to the Comprehensive Plan. The Hearing Examiner's report shall be provided to the City Council with respect to the abandonment, vacation or dedication of any street or other right of way in public use. Dedications within the short subdivision process which do not require City Council acceptance of the dedication are exempt from this requirement. In any development permit process which has been delegated to the Hearing Examiner under the provisions of the Edmonds Community Development Code and includes the dedication of a street or other area for public use, the Hearing Examiner shall consider whether the action is consistent with the Comprehensive Plan as a part of the Hearing Examiner's determination on the underlying permit.

1.2.1 Hearing Examiner review shall be substituted for the Planning Board review provided for in Chapter 20.65.010 during the life of this interim ordinance. The hearing procedures and notification for any other process shall be consistent with the requirements of ECDC Chapter 20.65 and as a Type V procedure.

1.2.2 Review of a dedication with a permit shall be processed in the same manner as the underlying development permit.

1.2.3 Street vacations shall be processed as provided in Chapter 20.70 ECDC, provided, however, that the Hearing Examiner shall hold a hearing prior to City Council consideration.

Section 2. These interim zoning procedures are adopted pursuant to the authorization of Chapter 36.70A RCW. A public hearing shall be held on the adoption of these

procedures within sixty (60) days of the date of their adoption. The City Clerk is authorized to provide notice of a public hearing in accordance with adopted Council policy and a hearing is hereby set for the 2nd day of March, 2010.

Section 3. Effective Date. This ordinance, being an exercise of a power specifically delegated to the City legislative body, is not subject to referendum, and shall take effect five (5) days after passage and publication of an approved summary thereof consisting of the title.

Section 4. The adoption of an interim zoning procedure shall expire on its own terms six months after its effective date unless extended by act of the City Council.
