

RESOLUTION NO. 1333

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF EDMONDS,
WASHINGTON, DECLARING THE PURCHASE OF FREIGHTLINER VACTOR 2100
CB VACUUM TRUCK TO BE APPROPRIATE FOR SOLE SOURCE PROCUREMENT
AND APPROVING THE USE OF SUCH PROCESS**

WHEREAS, the City's purchasing policies and procedures require competitive bids for procurement of goods and services exceeding \$10,000 in cost, and,

WHEREAS, it is prudent for the City to modernize its equipment, and the City has identified the Freightliner Vactor 2100 CB Vacuum Truck as a necessary purchase; and;

WHEREAS, such equipment has been demonstrated to provide an overall labor cost savings which will be realized by citizens and/or ratepayers of the City, and

WHEREAS, the City has diligently researched the relevant market, has identified Owen Equipment operating under Washington State Purchasing Contract No. 01912 – Item 0818 as the sole regional supplier of the desired equipment, and has obtained assurances from the supplier that the equipment has been offered for sale to the City at the lowest available competitive market price, and

WHEREAS, advertising for bids under these circumstances would yield no superior bidders and would needlessly waste the administrative and financial resources of the City; now, therefore,

THE CITY COUNCIL OF THE CITY OF EDMONDS, WASHINGTON HEREBY RESOLVES AS FOLLOWS:

Section 1. The City Council finds that the nature and availability of this equipment creates special market standards and conditions which justify the use of sole source procurement, and that the price charged the City is consistent with the lowest price offered by the equipment vendor for other similarly situated customers.

RESOLVED this 17th day of February, 2015.

DAVID O. EARLING, MAYOR

ATTEST/AUTHENTICATED:

CITY CLERK, SCOTT PASSEY
