### **Parks, Recreation and Open Space Draft Plan Ready for Citizen Review**

After six months of focus groups, community intercept events, an online survey, two large community workshops, a random sample telephone survey, and many PROS project team meetings, the City of Edmonds has released the draft Parks, Recreation and Open Space Plan for a 60 day review period. The draft plan can be found at this link:

<http://www.edmondswa.gov/government/departments/parks-recreation-a-cultural-services/about-us/park-planning-projects.html>

We invite Edmonds citizens to review and send feedback to the City. We would welcome your comments, concerns and suggestions. We have set up a simple online comment form at this link: [http://bit.ly/edmonds\\_PROS\\_comments](http://bit.ly/edmonds_PROS_comments) that will allow us to track comments online and bring efficiency to the editing process.

For those who do not have access to a computer, we will have a hard copy available for review at the Frances Anderson Center, 700 Main Street, Edmonds. Hand written comments can be dropped off at the Recreation Office following review.

We will be presenting the draft plan to the City Council on December 10<sup>th</sup>, at 6:00 pm for anyone interested in attending. A more formal approval process with the opportunity for public comment with the Planning Board and the City Council will occur in January and February, 2014.
