

# Memorial Fir Tree Program

*Would you like to dedicate one of the living fir trees outside of City Hall or the Frances Anderson Center to a loved one?*

These trees will be strung with white lights during the holiday season and planted in Yost Park after the holidays. A laminated sign with your choice of wording will be placed at the base of the tree and small permanent plate will be placed on the Memorial Plaque inside the Frances Anderson Center. Memorial Trees are available on a limited basis and for a donation of \$150.
