## Possible road rage leads to shots fired and traffic collision Police seek help identifying two suspects who fled

(Edmonds, WA)

A possible road rage incident ended in a two vehicle crash early Thursday in Edmonds. Officers responded to the Firdale area around 12:45am for a report of speeding cars and gunshots. Officers located a collision scene in the 9600 block of 240<sup>th</sup> Street SW and interviewed one subject who was still there. The initial investigation showed that someone from the other vehicle fired shots at the subject during some sort of traffic encounter. At least two subjects were seen fleeing from the collision but were unable to be located after a search with a K9 unit.

Investigators received limited information from the subject that remained at the scene. No one was known to be injured and there have been no arrests at this time.

Detectives responded to assist with the investigation. Shell casings, two guns and two vehicles were taken as evidence from the scene. Detectives will apply for warrants to search the vehicles and also work to determine what, if any, relationship there is to a shots fired call in Mountlake Terrace just a few minutes before this incident.

Detectives are working to determine the identity of the suspects from this incident. If you have any information please call the Edmonds PD tip line at 425-771-0212 or [epdtips.edmondswa.gov](http://epdtips.edmondswa.gov)
