For Immediate Release

City hosts Earth Day event

(Edmonds - WA) The City of Edmonds, along with Sustainable Edmonds, will host an Earth Day event on Thursday, April 22 at Edmonds City Hall (121 5th Avenue N.) in the third-floor Brackett Room from 6 to 8 p.m. Doors open at 5:30 pm., and light refreshments will be provided.

A representative of Local Governments for Sustainability (www.iclei.org) will speak on “Local Governments Lead the Way,” followed by a presentation of the City’s Climate Action Plan. The audience will then participate in group discussions on local action and potential community programs. We will close with a summary of the group discussions. Don’t miss it!

Please RSVP to the Mayor’s office at 425.771.0247, or by email at carl@ci.edmonds.wa.us.
