Talbot Road Storm Drain Project

(Edmonds - WA) Talbot Road closure will be extended to thru traffic through Saturday, September 22, 2012 due to unforeseen soil conditions and utility conflicts. This road closure extension is necessary for public safety and to minimize the project duration. Please continue using Olympic View Drive and 76th Ave W. as your alternate routes.

Please send your questions or concerns to the e-mail address or by calling the phone number provided above.
