Mayor Earling Schedules Second Town Hall

(Edmonds – WA) On the heels of a very successful Perrinville Town Hall meeting in June, Mayor Dave Earling has scheduled a second Town Hall for Thursday, September 11th at the new **Community Health Center of Snohomish County** located at 23320 Hwy. 99 in Edmonds from 6:30 – 8:30 pm.

Community members from the Hwy 99 area are invited to attend to discuss current issues relating to the area, ask questions and provide feedback. Along with the Mayor, city directors will also be in attendance and will provide brief presentations.

These Town Hall meetings are part of the Mayor's communication plan which he outlined in his 2014 'State of the City' address. Included in the plan was an increased presence in the media with bi-weekly articles provided by the Mayor, staff and local community members, Town Hall meetings and the launching of a facebook page (coming soon).

More meetings are currently being planned for later in the year at other locations throughout town and will focus on issues related to those areas.

For questions or more information please contact the Mayor's Office at 425.771.0247.
