## **Housing Meeting Changes from December to January**

(Edmonds) The City's second informational public meeting on housing, previously scheduled for December 13, has been moved to January 10, 2019, due to holiday activities. The January 10 meeting will be held in the Swedish/Edmonds Hospital Conference Room, from 7:00 to 8:30 pm.

The public event will start with information from the Mayor and City staff on both current housing issues and possible process for working on a new housing strategy, along with time for audience questions and responses from staff.

For information about past work on the housing strategy, see [City website](#). To be on the City's email list for housing updates, send your contact information to: [diane.cunningham@edmondswa.gov](mailto:diane.cunningham@edmondswa.gov).
