PUBLIC MEETING NOTICE

Citywide Pedestrian Crossing Enhancements project

(Edmonds – WA) The City of Edmonds is hosting a public meeting on **Thursday, January 24th, 2019** from 6pm to 7:30pm in the Plaza Room on the 2nd floor of the Edmonds Library (650 Main St.) regarding the *Citywide Pedestrian Crossing Enhancements project*.

The project will improve pedestrian safety at the following nine locations:

1. SR-104 @ 232nd St. SW
Convert existing emergency signal to an operating traffic signal that will provide pedestrians a protected signalized crossing on SR-104.
2. SR-524 @ 84th Ave W
Install a new High-Intensity Activated Crosswalk (HAWK) Signal. This will be similar to the HAWK signal recently installed on SR-104, north of Pine St. intersection.
Install pedestrian-actuated Rectangular Rapid Flashing Beacons (RRFB):
 1. SR-524 / Caspers St. @ 7th Ave. N
 2. Main St. @ Olympic Ave
 3. 76th Ave. W @ 206th St. SW
 4. 229th Pl. W @ 106th Ave. W
 5. Dayton St. @ 2nd Ave. S
 6. Mid-block crosswalk on Dayton St. between SR-104 and Railroad St.
 7. Walnut St. @ 8th Ave. S

Additional improvements will include curb ramp upgrades to comply with ADA requirements, corner

bulb-outs to reduce the crossing distance for pedestrians, new pavement markings, signs, and a safety education program. A federal grant was secured through the *Safe Routes to School Program* to help fund these improvements.

You are invited to participate in a public meeting to discuss your ideas, concerns and issues regarding this project. City Staff and KPG (design consultant for this project) will make a presentation on the scope of work for each intersection and review the project schedule. The presentation will begin at approximately 6:15pm. We look forward to seeing you there.
