## Welcome

We hope you had an enjoyable summer and were able to take some time to relax, rejuvenate and enjoy a little normalcy during this unique time.

We're delighted that your children are here and we thank you for entrusting them with us.

May our year bring good health, new friends and many wonderful joys and discovery.

It was a pleasure meeting you and your children during our individual orientations. We look forward to building a relationship with you and your preschooler throughout the year.

**For your Calendar**

September 14  
First Day of School

September 23  
Applesauce Day

September 24  
Scholastic Book Orders Due

## Quote for the Month

“There is more treasure in books than in all the pirates loot on Treasure Island” – Walt Disney

## ENCOURAGING LESS ILLNESS

We all benefit from personal hygiene 😊

- \* Help your child understand the importance of currently using a face mask.
- \* Teach your child how to cover their cough/sneeze with the inside of their elbow.
- \* Teach them how to wipe/blow their nose properly.
- \* Avoid touching mouth, eyes, nose.
- \* **WASH THOSE HANDS...** especially after wiping nose, using bathroom and before eating.

## APPLESAUCE DAY

How many ways can we eat an apple? Applesauce sounds like a good one – please bring one peeled, cored and sliced apple to school on **September 23**. We will make applesauce using the apples you provide and enjoying it for our snack. Please help your child remember the color of their apple before peeling because we'll be having some fun with graphing and comparing.

If you haven't already done so, please make sure the following items are turned in by September 24. All paperwork was handed out during your orientation or mailed to you in the orientation packet:

- Student Information (blue form)
- One Emergency Kit for your child (information on yellow paper)
- Personal Contact Information (green form)
- Up to date Certificate of Immunization Status (CIS)
- \$40.00 special supply fee (cash or check made out to Michele Parker)

## COLOR DAYS

We are discovering our colors! We understand our primary colors, but what happens when we begin mixing some of these colors? Let's find out on our color days! We'll put together a color poster in class with objects your children bring from home. The objects don't have to be extravagant – a button, piece of paper, paperclip, etc. will work well (items will not be returned). For added fun, some students like to wear the designated color to school on the scheduled color day too.
