

APRIL NEWS

Meadowdale Preschool Monthly Newsletter

THIS MONTH'S CURRICULUM

Themes: Farms, Insects, Earth Day (reuse and recycle)

Letters: Ee, Hh, Uu

Numbers: 9, 10

Events

MONTHLY LIBRARIAN VISIT

Librarian Natalie will visit classes on Thursday, April 11th.

BEACH WALK

Our Beach Walk is scheduled for Wednesday, May 8, from 11:30-12:45pm for both classes. Please jot the date on your calendar so you and your preschooler can join us as we search the local beaches for marine life and treasures.

Reminders

SPRING BREAK

Meadowdale Preschool will be closed for Spring Break April 1-5.

KINDERGARTEN

If you haven't already, remember to register your child for kindergarten with your neighborhood school as soon as possible.

From the Teachers

MATH BAGS

Our students have begun to understand the concept of sorting based on attributes and finding multiple attributes within the same groups. Please remember to have your child (not you) locate math bag items. This is all a part of them building their independence while learning.

YOUR CHILD'S DEVELOPMENT

At this time of year your children are broadening their curiosity and discovering their world is bigger than they ever imagined. This exciting phase can sometimes be a little overwhelming. With kindergarten right around the corner, your child may need some help managing new fears.

[Here's an article with helpful ideas for how you can support them.](#)
