### **HISTORIC PRESERVATION COMMISSION SEEKS NEW MEMBERS**

**(Edmonds - WA)** The Historic Preservation Commission (HPC) is recruiting for two professional openings.

Qualified candidates will have experience in identifying, evaluating, and protecting historic resources and have a background in any of the following disciplines: history, architecture, architectural history, historic preservation, planning, cultural anthropology, archaeology, cultural geography, American studies, law, and/or real estate. Candidates for the professional positions do not have to be residents of Edmonds.

The HPC identifies and actively encourages conservation of the city's historic resources by maintaining a register of historic places, reviewing proposed changes to register properties, and raising community awareness and appreciation of the city's history and historic resources. It serves as the city's primary resource in matters of history, historic planning, and preservation.

The commission, with support from city staff, meets on the second Thursday of each month at 5:30 pm. Meetings are Hybrid with an option of meeting in-person or remotely via zoom. In-person meetings are currently being held in the Brackett Room on the 3<sup>rd</sup> floor of City Hall.

Interested parties may fill out an application [online](#) or may request an application via [planning@edmondswa.gov](mailto:planning@edmondswa.gov) or by calling 425-771-0220. Applications will be accepted until the positions have been filled.

The city encourages women, people of color and other underrepresented groups to apply for service on this board.

Qualified candidates will be interviewed by the Mayor who will make the appointment with City Council confirmation.
