TEDDY BEAR PICNIC

Our annual Teddy Bear Picnic is on May 22th. Please pack a lunch like the ones your child will take to kindergarten (e.g., Ziploc baggies, plastic containers, pre-packaged foods to be opened without assistance). Don't forget to have your child bring their special guest on the day of the Teddy Bear Picnic!

»»»» From the Teachers

Now that the school year is coming to a close, we want thank you for sharing your children with us. Over the past nine months we have watched them sing, explore, create, and grow both in size and maturity. It has been our pleasure to watch their personalities emerge and see their excitement for learning blossom.

Enjoy your summer and keep up the great work! Click on the links below from the Edmonds School District with tips on how to include math and literacy in your daily life.
